BIG TWIG HOMES

Horse barn layout worksheet

Bring this sketch to your barn designer and use it to describe the package you need.

Horses, site and stalls

Note the town, state, present and future horse count, stall sizes and turnout access.

Aisle and daily work

List aisle width, equipment clearance and routes for feed, bedding and moving horses.

Tack, wash and storage

Mark tack, wash, hay and bedding areas. Include proposed arena or living quarters.

Air movement and openings

List windows, exterior doors and ventilation questions for your designer to evaluate.

Sketch the layout

Draw stall rows, aisle, gates and storage. Add arrows for turnout, feed and equipment.

Discuss my equestrian project
